Located in Lo Cea, a beautiful residential area in Rincón de la Victoria, made up of single-family homes. You can access the interior of the house through the main entrance on the front porch, or from the back, leading directly into the kitchen. The house features a living-dining room, kitchen, utility room, bathroom, and three bedrooms, one of which is a double. On both sides of the house – which is in good condition – there is enough land to expand the property, build a pool, and even a garage. We can arrange a viewing whenever you like. The price of the property does not include purchase costs (notary, registration, and I.T.P.). There are no additional real estate agency fees beyond the sale price.
