Axarquía, Alfarnate

Are you looking for a different life in the mountains of southern Spain? A life where you can take daily beautiful walks or bike rides in unspoilt nature away from mass tourism? Would you like to live in a property equipped with all the modern comforts and be close to the shops? Then your ideal property is in Alfarnate. Together with Alfarnatejo, Colmenar and Casabermeja, Alfarnate is part of a kind of transitional area also called "Montes Orientales de Málaga". In the middle of these mountains at considerable altitude, Alfarnate enjoys a beautiful valley more than 900 m above sea level, making it a rare example of a mountain village in Andalusia. The property itself is located in a cul-de-sac. Fully fenced and with a garage under the house. There is a rear garden and several terraces. There is a modern spacious kitchen, a spacious lounge with terrace. 4 bedrooms and 2 bathrooms on 3 floors. The master bedroom has beautiful views and looks like a princess room. Quality materials have been used throughout and hot water is heated by solar water heater. A beautiful home at a very correct price! We are pleased to be able to present this dream property to you soon, either personally or via virtual viewing. Because this world, it is unique - just like our Axarquía. In Andalusia. On the Costa del Sol. Here, on the sunny side of life...
