Translate the text to English: This plot of land of 1500 m2 offers a lot of potential for those seeking peace and space. With a building permit of 150 m2, this plot provides enough space to build a comfortable home with all necessary amenities. Additionally, there is the possibility to purchase an additional 7000 m2 where olive trees currently grow. This allows you to enjoy a beautiful view of the green surroundings and harvest your own olives. The plot is south-facing, allowing you to enjoy the sun all day long. It also offers a lot of privacy and tranquility, making it ideal for those seeking seclusion and a haven of peace. However, it should be noted that the access road is unpaved. For those who don't mind this, this plot of land is the perfect place to create your own haven and live in harmony with nature. In short, a unique opportunity to build a dream home surrounded by the beautiful landscape and tranquility of nature.
